PROFILE SUMMARY

Targeting **full-stack Developer** roles with an organization of high reput, with a scope of improving knowledge and further career growth.

- MERN stack (**MongoDB, Express.js, React, Node.js**) with a strong background in building scalable web applications
- Demonstrated ability to manage and deliver projects **efficiently**, from initial planning and design to final deployment and maintenance.
- Committed to **staying updated** with the **latest industry** trends and technologies, continuously enhancing skills to provide innovative solutions.

SKILLS

- **Programming:** Python, C++, JavaScript, C.
- **Web Development:** HTML, CSS, React.js, Node.js.
- **Databases:** MySQL, MongoDB
- **Tools:** Visual Studio, GitHub, Git, AWS, Bootstrap.

PROJECTS

Movie Script Generator Model, Github

June 2024 - Dec 2025

Tools: React, Node.js, Express.js, Python, NLP, Machine Learning

An AI-powered model that generates creative and coherent movie scripts using NLP and ML.

Responsibilities:

- Developed and trained an AI model for generating movie scripts using NLP and Machine Learning.
- Optimized data preprocessing and model performance for realistic dialogue generation.
- Integrated user input functionality for customizable script generation.
- Documented project workflow, model architecture, and key findings.

Network Chat Application, Github

Sept 2023 – Dec 2023

Tools: Python, GUI Development, Networking

Facilitates seamless real-time messaging with a user-friendly interface, ensuring secure and efficient data transmission over a network.

Responsibilities:

- Developed a client-server chat application using Python and socket programming.
- Implemented a GUI for an intuitive and user-friendly messaging experience.
- Designed secure data transmission protocols to ensure reliable communication.
- Optimized network performance for low-latency messaging.

EDUCATION

Chandigarh University

Bachelor of Engineering in Computer Science

CGPA: 6.44

Gharuan, Mohali, Punjab

Expected Graduation, June 2026

INTERNSHIP

Uniblue Web pvt Ltd.

Full Stack Development

New Delhi

Remote, May – July 2025

ACADEMIC ACHIEVEMENTS

- Earned certifications in Web Development, Full-Stack Development, and MERN Stack from Coursera, LinkedIn Learning, and Metacraft.
- Earned certifications in Team Leading and Critical Thinking from Coursera and LinkedIn Learning
